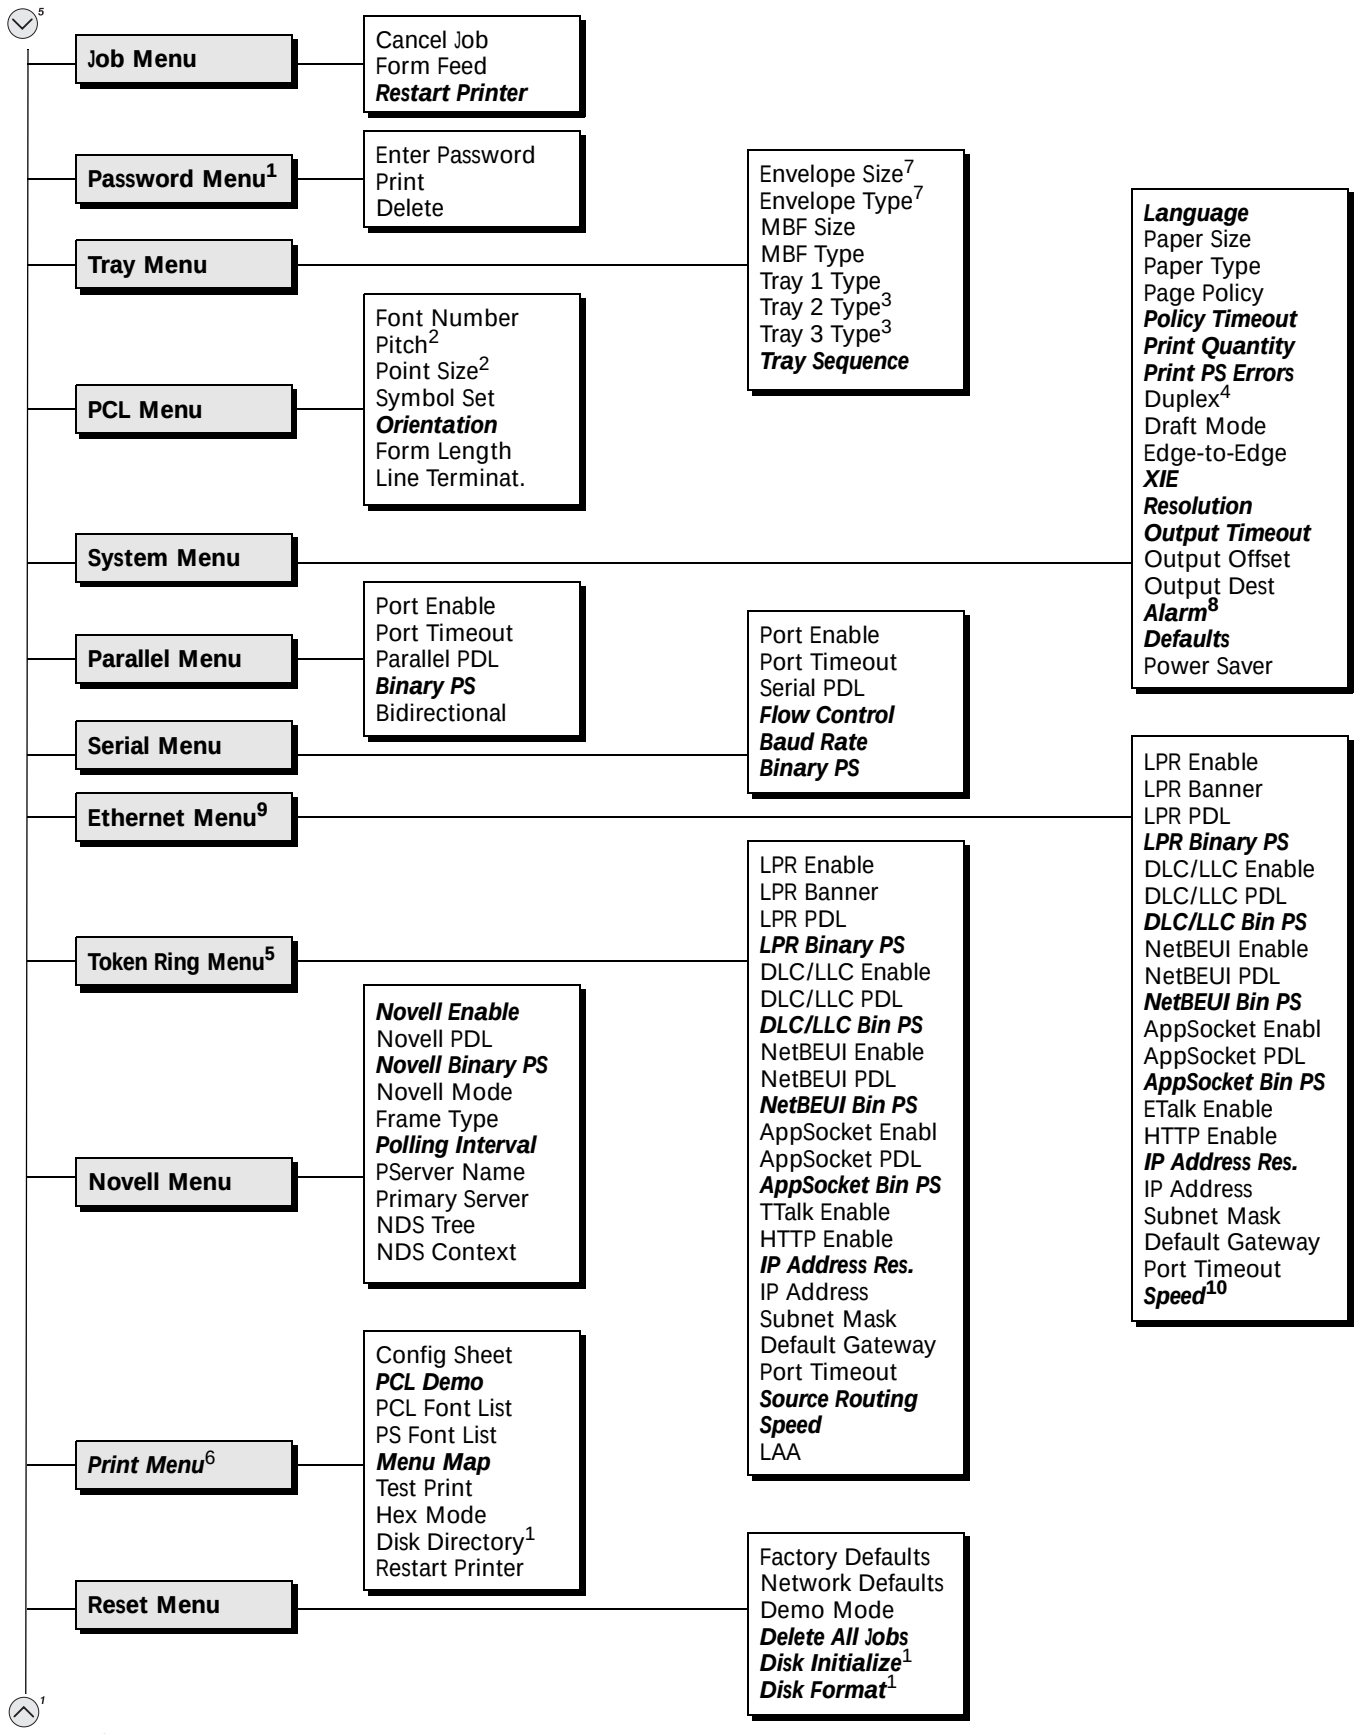
DocuPrint N17/N17b Menu Map

Menu options highlighted in ***Bold Italics*** have been added or updated.
They are described in the *Documentation Update.*



[1] Appears only when the Hard Disk Drive is installed.
[2] Either Pitch or Point Size appears (but not both), depending upon the type of font currently in effect.
[3] Appears only when an optional paper feeder is installed.
[4] Appears only when the Duplex Module is installed.
[5] Appears only when the Token Ring Card is installed.
[6] This was formerly called the Test Menu.
[7] Appears only when the Envelope Feeder is installed.
[8] Appears only when Alarm is present.
[9] Appears only when Ethernet is present.
[10] Appears only when the 10/100 Ethernet Card is installed.
