COLOR SERVERS

Internal:
Release date: November 18, 2009

Technical bulletin

New_Common_Patch_01 for the CX Print Server for the Xerox 700 Digital Color Press

Installing the Common Patch 01 for Creo CX700 version 1.5

Problems description and additional fix include
In the Common Patch 01 patch release

SPAR - 147986668 - Tabs Jamming in the fuser area and fault 077-909 occurs after upgrading to CX700 version 1.5

SPAR - 028620472 Creo allows 300 gsm auto Duplex

Enable tabs printing using internal trays.

Paper stock icons don't appear for all paper types.

Problem in pulling tab from Tray 5 when using the Page Exception Mode.

Installation Procedure

1. Exit the CX7000 version 1.5 application & shut down the Xerox 700 Digital Color Press
2. Copy the **New_Common_Patch_01.zip** file to the CX700 DFE and extract it,
3. Double-click the **New_Common_Patch_01.exe** file.

4. 4. In the InstallShield Wizard, click **Finish**.
5. Start the application
6. Open Help - About and make sure the update **New_Common_Patch_01 18-Nov-2009** is there.

Uninstalling the patch

Perform the following to uninstall the **New_Common_Patch_01**:

1. Exit the CX print server software.
2. From the **Start** menu, select **Setting** > **Control Panel**, and then double-click the **Add or Remove Programs**.

3. From the Currently installed programs list, select the New_Common_Patch_01 and then click Remove.

4. Click **Yes**, to confirm removing the patch.

5. In the InstallShield Wizard, click **Finish**.
6. Start the CX print server software.
7. From the **Help** menu, select **About** and verify that the patch was successfully removed.

About Print On-Demand Solutions Group

The Print On-Demand Solutions Group develops and supports high-performance CREO Color Servers and key workflow solutions for a range of digital production printers and presses. It also develops advanced on-demand applications to enable the creation of personalized direct mail, targeted catalogs and other powerful one-to-one marketing communications tools.

This independent unit of Kodak's Graphic Communications Group will continue to help its customers leverage their investment in digital printing.
