Xerox® Connect App for Evernote

Quick Start Guide

DESCRIPTION

With the Xerox® Connect for Evernote on your Xerox® ConnectKey® Technology-enabled multifunction printer (MFP), you can securely scan and print directly to and from your Evernote account. Storing and sharing your notes has never been simpler. Supported file formats for scanning, printing, as well as for searching purposes, include: PDF, JPEG, TIFF and XPS.

Device Requirements

Throughout this guide, the word "device" is used synonymously and interchangeable with MultifunctionPrinter and Printer.

All devices require the following:

- Xerox Extensible Interface Platform® (EIP) must be enabled to allow the App to be installed.
  - Devices must support EIP 3.5 or higher.
- ConnectKey App Installation (Weblet Install Policy) must be enabled to allow installation of the App.
- Ensure the device is able to communicate with the Internet.

Note:
- Some networks require a proxy to communicate with the Internet.
- If Verification of SSL is enabled on the device, ensure the security certificates are loaded on the device.
- By default, the Xerox Solutions Certificates are preloaded on all 2016 Xerox® ConnectKey Technology-enabled i-Series, Xerox® AltaLink®, and Xerox® VersaLink® devices.

For more information on the settings above, refer to the Xerox App Gallery Online Support at http://www.support.xerox.com/support/xerox-app-gallery.

Note: For detailed instructions on adding a device and adding or installing Apps to your Xerox App Gallery account, see the documentation links at the end of this guide.
