Basic Faxing

1. Place the originals face up in the document feeder, or face down on the glass.
2. Press Services Home on the control panel, then touch Fax on the touch screen.
3. Enter a fax number using the alphanumeric keypad, then touch Add.
   Touch Address Book to enter stored numbers. Touch Individual or Group from the drop-down list. Touch the arrows to scroll through the list, touch the desired addresses, then touch Add. Touch Close.
4. Touch Cover Page to include additional information with the fax.
5. Confirm or change options as desired. Touch other tabs for more options.
6. Press the green Start button.

For more information, see Faxing in the User Guide.
