| Symbol | Definition |
|---|---|
|  | <p>Do Not Dispose in Normal Household Waste Stream</p> <ul style="list-style-type: none"> • Application of this symbol is confirmation that you should not dispose of items, such as Customer Replaceable Units (CRUs), in the normal household waste stream. You must dispose of these items in compliance with agreed national procedures. • This symbol often accompanies batteries and indicates that used electrical and electronic products and batteries should not be mixed with general household waste. • For more information about collection and recycling, please contact your local municipality, your waste disposal service, or the point of sale where you purchased the items. |
