Xerox® Translate and Print App

Quick Start Guide for use with Xerox® Translate and Print App.

DESCRIPTION

The Xerox Translate and Print App is available on the Xerox App Gallery. This app allows you to scan an array of document styles and have them translated and printed at the device. The Xerox Translate and Print App is for use with Xerox® ConnectKey® Technology enabled Multifunction Printers, AltaLink®, and VersaLink® devices.

The Xerox Translate and Print App is available to the Customer who purchases the app and downloads it using a Xerox App Gallery account. You can also try the app for a defined trial period.

Device Requirements

Throughout this guide, the word “device” is used synonymously and interchangeable with Multifunction Printer and Printer.

All devices require the following:

- Xerox Extensible Interface Platform (EIP) must be enabled to allow the App to be installed.
  - Devices must support EIP 3.5 or higher.
- ConnectKey App Installation (Weblet Install Policy) must be enabled to allow installation of the App.
- Ensure the device is able to communicate with the Internet.
- The device must have a scanner.

Note:

- Some networks require a proxy to communicate with the Internet.
- If Verification of SSL is enabled on the device, ensure the security certificates are loaded on the device.
- By default, the Xerox Solutions Certificates are preloaded on all 2016 Xerox ConnectKey Technology-enabled i-Series, AltaLink, and VersaLink devices.

For more information on the settings above, refer to the Xerox App Gallery Online Support at http://www.support.xerox.com/support/xerox-app-gallery.

Note: For detailed instructions on adding a device, and adding or installing Apps to your Xerox App Gallery account, see the documentation links at the end of this guide.
