Supported Printers

This document details the level of printer support for the following Xerox software:

Xerox® Smart Start

https://www.xerox.com/en-us/office/software-solutions/smart-start-printer-installer

Xerox® Smart Start cannot install scan drivers for some products. If scan driver install is not supported, go to www.support.xerox.com and download a separate scan driver for your product.

Xerox® Global Print Driver (V3)

https://www.xerox.com/en-us/office/software-solutions/global-printer-driver

Xerox® Pull Print Driver

https://www.xerox.com/en-us/office/software-solutions/xerox-pull-print-driver

Xerox® Print and Scan Experience for Windows and macOS

https://www.xerox.com/en-us/office/software-solutions/xerox-print-and-scan-experience-app

Full Support for Xerox Print and Scan Experience includes:

- Scan
- PDF Direct Printing
- Windows only features:
    - PDF direct print is supported for print queues configured with Xerox® V4 print drivers or with the Microsoft IPP Class driver
    - PSA Support for IPP queues
    - PSA Support for Universal Print (UP) queues – printer software requirements may apply; ensure you have the latest System Software installer on your printer or multi-function device
