CC 32	CC WCP 90	Phaser 6180 / MFP	Phaser 5500	4112 CP	

Compatibility Pack (DCP) Documentation:

There are no new DCPs for this version of the X-GPD. The documentation remains the same from the previous General Release of the X-GPD. Link to DCP Documentation: <http://www.office.xerox.com/support/dctips/dc11cc0482.pdf>

XML Editor Documentation: If interested in using XML driver Configuration, please refer to the Link to XML documentation and Tool <http://www.office.xerox.com/latest/SFTHT-01U.pdf>

Important Notes:

- The Stringed version of this release and future releases of the V3 X-GPD will now be "Xerox GPD <PDL> <Driver Version> (ex: Xerox GPD PCL6 V5.617.7.0) The change was made to prevent confusion between the V4 architecture Global Print Driver and the V3 architecture Global Print Driver.
- The Windows XP and Windows 2003 Xerox Global Print Driver (XGPD) driver links on Xerox.com will no longer be updated with new drivers. The XGPD Release (v5.469.9) will be available until further notice.
