

Transmitting Documents

Relay Methods

The following relay transmission methods are available:

- **Individual (Manual) Relay** — You can send your document to one relay station and instruct that relay station to retransmit the documents up to 8 One Touch / Speed Dial numbers or up to 8 Group numbers.
- **Group Relay** — You can send your document to up to 16 relay stations and instruct those relay stations to retransmit the documents to up to 4 group numbers per station.
- **Secondary Relay** — You can send a document to a primary relay station which retransmits your document to up to 16 other relay stations called secondary relay stations. The secondary relay stations then retransmit the document to the end stations.
