

## Installing the Machine

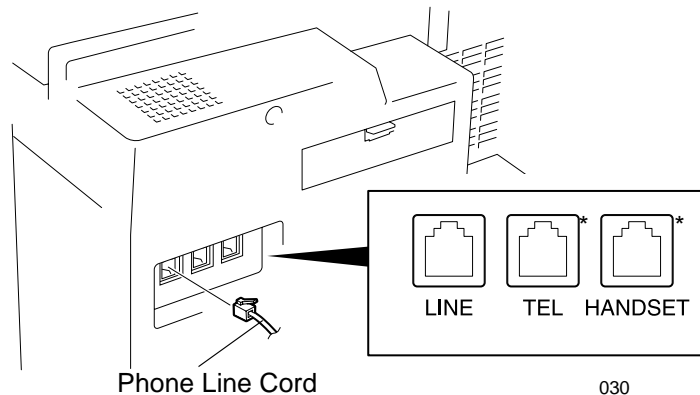

### Connecting the Cords and PC Cable

---

1. Ensure the Power Switch is turned OFF.
2. Plug in the Power Cord to the machine.

3. Plug in the Power Cord to the wall AC outlet.
4. Connect the Modular Cord to the LINE connector on the machine and the wall jack.

5. Connect the Bi-directional parallel cable (optional) between the WorkCentre and the PC's parallel port (See page 1-28).
6. Switch ON machine power.
