

## *Safety and Legal Requirements*

telephone company will notify the customer as soon as possible. Also, you will be advised of your right to file a complaint with the FCC if you believe it is necessary.

The telephone company may make changes in its facilities equipment, operations or procedures that could affect the operation of this equipment. If this happens the telephone company will provide advance notice in order for you to make necessary modifications to maintain uninterrupted service.

Repairs to the WorkCentre Pro 635, 645, or 657 should only be made by Xerox or an authorized Xerox service agency. If trouble is experienced with the WorkCentre Pro 635, 645, or 657, for repair or warranty information, please call the support numbers listed in Chapter 13, "Troubleshooting". This applies at any time during and after the service warranty period. No parts of this unit are considered to be user repairable. If unauthorized repair is performed, the remainder of the warranty period is null and void.

If the equipment is causing harm to the telephone network, the telephone company may request that you disconnect the equipment until the problem is resolved. It is recommended that you immediately disconnect the WorkCentre Pro 635, 645, or 657 from the telephone line if damage occurs to the telephone line.

Do not connect this system to a party or coin operated phone line.

### **Machine ID Requirements**

---

The Telephone Consumer Protection Act of 1991 makes it unlawful for any person to use a computer or other electronic device to send any message via a telephone fax system unless such message clearly contains in a margin at the top or bottom of each transmitted page or on the first page of the transmission, the date and time it is sent and an identification of the business or other entity, or other individual sending the message and the telephone number of the sending system or such business, other entity, or individual.

In order to program this information into your fax system, you should complete the steps detailed in the Getting Started section of this manual.
