

Programming the Machine

Remote Access Setting

This feature allows a remote Xerox test facility or service center to perform diagnostic tests on your machine.

There are three Remote Access selections: Always On, One Time Access, and Always Off.

1. Press:

| |
|---|
| <p>Remote access</p> <ol style="list-style-type: none">1. Always on2. One time access3. Always off |
|---|

To select the Always On, press **1**.

To select the One Time Access, press **2**.

To select the Always Off, press **3**.

2. The menu selection screen redisplay. Press **Stop** to return to the Standby Mode.
