Reports

> **Note:** *Total Pages represents the grand total for Scanned and Printed pages, it is not the same as Drum count that is found on the Activity Report.*

> **Note:** The firmware identification number is located at the top of the Settings Report. Refer to this number when calling for service.

To print the Settings Report:

1. Press:

Menu

▲ 2 1

The Settings Report prints, then the machine returns to the Standby Mode.
