XEROX®

Technical bulletin

Printing to a Creo Color Server from a Windows Vista Client Workstation

General

This document describes how to print from a Windows® Vista® client workstation to a Creo color server.

To print from a Vista client workstation to a Creo color server, you **must** turn the UAC (User Account Control) off.

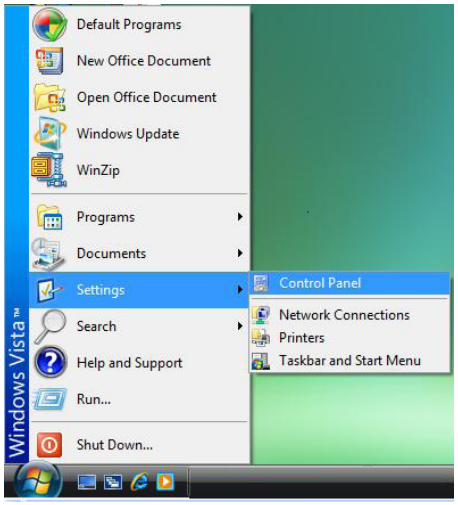
The following table describes which versions of the Creo color server include Vista support.

	Spire CX250 color server	Spire CX260 color server	Spire CXP50 color server	Spire CXP8000 color server	CX8000AP print server	Spire for iGen3 color server
UAC=Off 32 bit	All versions	All versions	All versions	All versions	All versions	All versions
UAC=Off 64 bit	V 1.1 SP-2	V2.0 SP-2	V 1.0 SP-2	V3.0 SP-3	v1.0 SP-1	V 5.0 SP-1

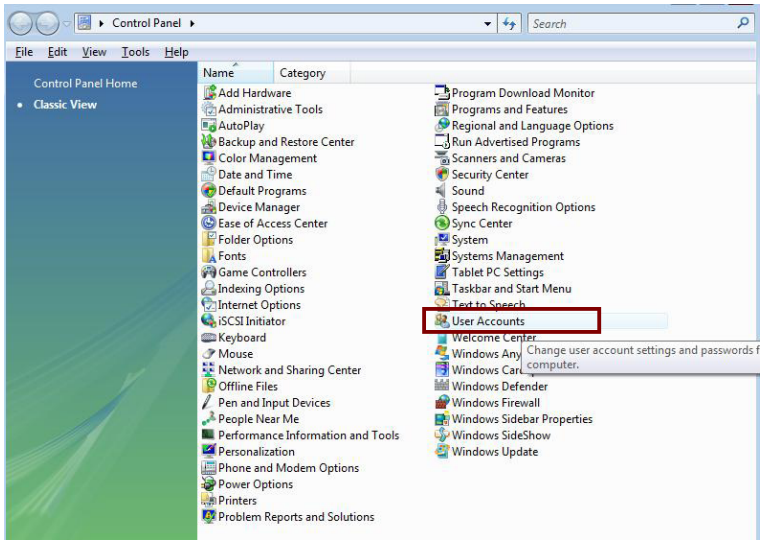
Turning off User Account Control

Note: To perform the following procedure, you must be able to log on with or provide the credentials of a member of your local **Administrators** group.

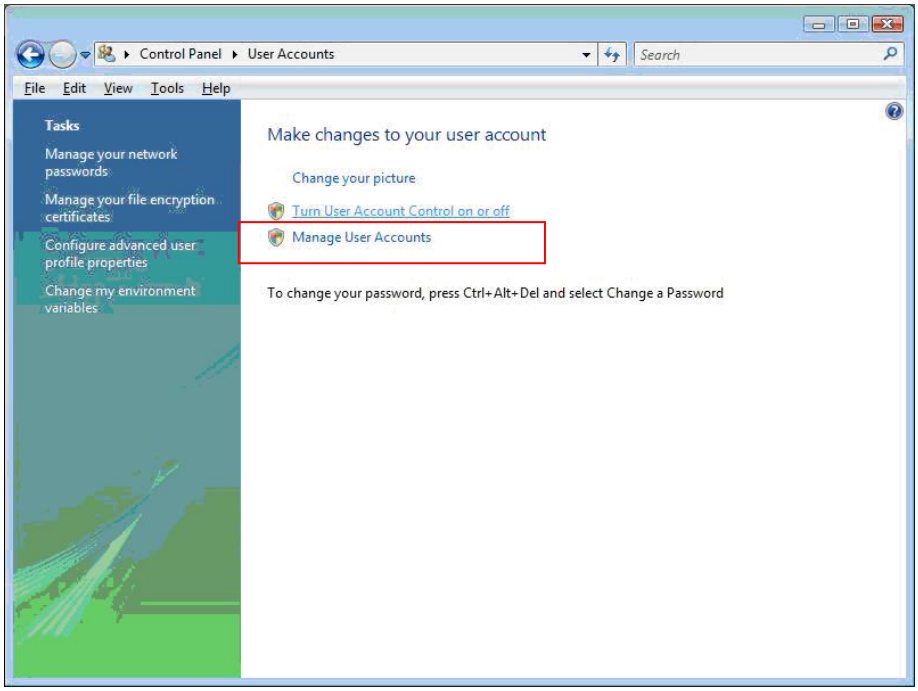
1. On your desktop click **Start**, and then select **Settings > Control Panel**.



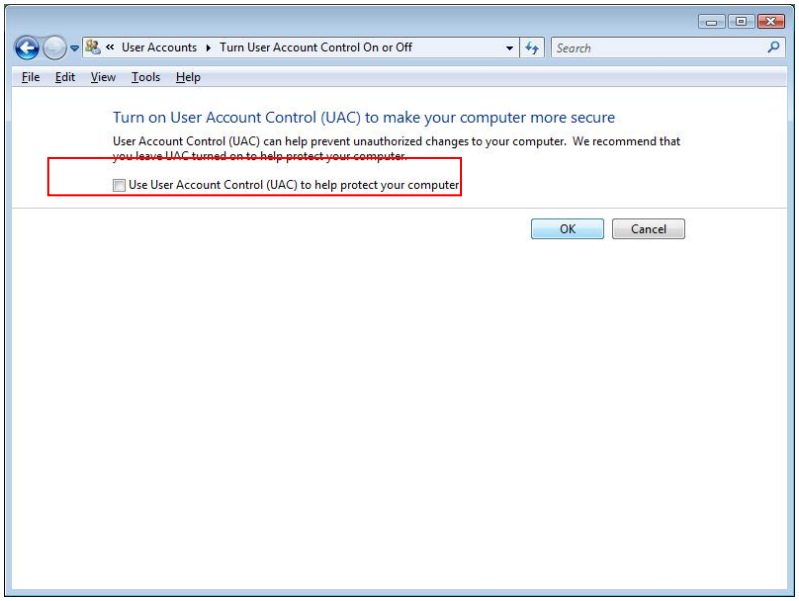
2. In the Control Panel window, select **User Accounts**.



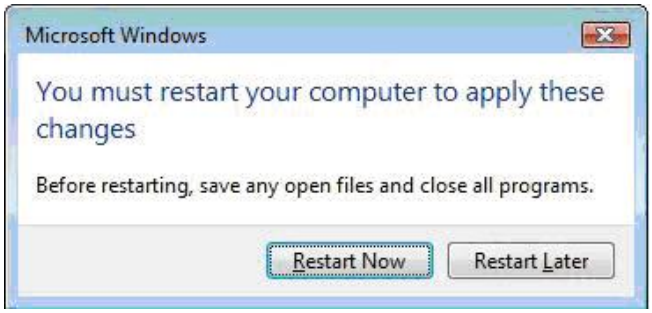
3. In the User Accounts window, select **Turn User Account Control on or off**.



4. If the **User Account Control** message appears, click **Continue**.
5. Clear the **Use User Account Control (UAC) to help protect your computer** check box, and then click **OK**.



6. Click **Restart Now** to apply the change right away.



Microsoft Windows
You must restart your computer to apply these changes
Before restarting, save any open files and close all programs.
Restart Now
Restart Later

About Print On-Demand Solutions

The Print On-Demand Solutions (PODS) group develops high-performance digital color servers to drive a range of digital printers and presses. It also develops advanced on-demand applications to enable the creation of personalized direct mail, targeted catalogs, and other powerful one-to-one marketing communications.

The PODS group is an independently managed unit within Kodak's Graphic Communications Group. Information about PODS is available at www.pod-wf.com.
